

**Notice & Invitation
East Helena Smelter Site Virtual Public Meeting**

**Online via Zoom or by Phone
December 8, 2021, 7:00 p.m. Mountain Time**

The US Environmental Protection Agency (EPA) and the Montana Environmental Trust Group (METG), Trustee of the Montana Environmental Custodial Trust, are sponsoring a Public Meeting on Wednesday, December 8, 2021 at 7:00 p.m. MT. Representatives from EPA and METG will review cleanup and redevelopment progress and plans at the former ASARCO Smelter Site in East Helena. The meeting will provide the public with an important opportunity to receive information and ask questions about improvements in groundwater quality, water infrastructure projects, remediation and restoration of areas along Prickly Pear Creek, the East Helena slag removal project, and property development activities.

PLEASE JOIN US ON WEDNESDAY, DECEMBER 8, 2021 at 7:00 P.M.
